Greetings!

I pray that this correspondence finds you in good health and spirits. This correspondence is being sent to you in order to obtain your wishes in the event you are "called from labor to reward". Many times, we as brothers of the craft, are left wondering if a member preferred to have a Masonic Burial in which he would receive his "last rites" from the fraternity. Although it is definitely left up to the wishes of his surviving loved ones, it's good for the brothers to have an idea of what you would have liked; so by no means is this correspondence the overruling authority. In closing, I ask that you complete this form as soon as possible and return the original to me so I can affix the seal of the lodge and return a copy of the completed document to you for your records. If you have any concerns or questions, please feel free to contact me at anytime.

Fraternally,

Keith Jones Sr.
Secretary
